Hi Dan!

Wondering if you'd be into this:

A friend of mine, Jessica Hanna, works at Bootleg Theater in your district. is a peer group leader for the LA County Arts Intern program this summer. She's putting together a field trip for a group of 13 interns and I was thinking you would be an excellent person to meet and hear about how your path has been influenced by the arts and the government connection to the arts.

Now I told Jessica I would do this, but unfortunately, I got pulled into something for this Friday. Also, I think that's this might be interesting to you (how a career path can lead in and out of an arts focus).

She has primarily theater students, but also has 2 visual artists and an architect.

Any chance you have time this Friday midday at 11 or 12?

Let me know as soon as you can.

Hi Ryan!

Great to hear from you. Friday is not a good day for me, unfortunately, because it's my last day before going away for two weeks (!!). I would love to meet or speak with her, though. Would she be open to a phone call or perhaps a meeting at another date/time?

Thanks,

Dan Halden
